

NWS 2022 Homepage Survey

Start of Block: Default Question Block

OMB Control Number: **0925-0648**

Expiration Date: **06/30/2024**

Public reporting burden for this collection of information is estimated to average **4** minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Intro Thank you for visiting the National Center for Biotechnology Information (NCBI) websites. We have a series of online resources for bioinformatics, including GenBank, PubMed, BLAST, and other databases, tools, and services. This survey asks questions about how you use these NCBI resources, particularly the NCBI homepage.

** Indicates required question*

Q1 Which role most closely describes you? Please select all that apply. *

- Researcher
 - Student
 - Patient, family, caregiver, or friend of a patient
 - Librarian or information professional
 - Educator/trainer
 - Healthcare professional
 - Other (please describe below)
-

Q2 How often do you use NCBI online resources such as GenBank and PubMed? *

- This is my first time using NCBI resources
 - A few times a year
 - At least once a month
 - Weekly
 - Daily
-

Q3 What do you come to the NCBI to do generally? Please select all that apply. *

- Search for data
 - Search for health, disease, or medical information data
 - Search for sequence data (please describe below)
-
- Find literature citations for research
 - Find full text literature for research
 - Use NCBI tools or software (BLAST etc.)
 - Submit sequences or check on a submission
 - Create/manage your CV or your bibliography for grant submissions
 - Find information about NCBI
 - Something else (please describe below)
-

Q4 What did you come to the NCBI to do TODAY? Please select all that apply. *

- Search for data
 - Search for health, disease, or medical information data
 - Search for sequence data (please describe below)
-
- Find literature citations for research
 - Find full text literature for research
 - Use NCBI tools or software (BLAST etc.)
 - Submit sequences or check on a submission
 - Create/manage your CV or your bibliography for grant submissions
 - Find information about NCBI
 - Something else (please describe below)
-

Q5 You are currently on the NCBI Homepage (<https://www.ncbi.nlm.nih.gov>). Do you know the name of the resource you came to here to find? *

- No
 - Yes (please specify below) _____
-

Q6 How often have you visited the NCBI Homepage? *

- This is my first time
 - A few times a year
 - At least once a month
 - Weekly
 - Daily
-

Q7 How did you get to this page? *

- I used a search engine
 - I followed a bookmark
 - I followed a link from a different site (please tell us which site below)

 - I clicked on a link from another ncbi.nlm.nih.gov page
-

Q8 What will you do on this page today? *

- Use the search box
 - Find out more about NCBI
 - Log into MyNCBI
 - Find links to NCBI resources I need
 - Don't know/not sure
 - Other (please describe below)

-

Q9 How easy was it to find what you were looking for on this site? *

- Very easy
 - Somewhat easy
 - Neither easy nor difficult
 - Somewhat difficult
 - Very difficult
-

Q10 Overall, how well did the site meet your needs? *

- Very well
 - Somewhat well
 - Neither well nor poorly
 - Somewhat poorly
 - Very poorly
-

Q11 How likely are you to recommend the NCBI homepage to a friend or colleague? *

- 0
- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10

Q12 What changes would you most like to see on the NCBI homepage?

Q13 Do you have any other comments about the NCBI homepage you'd like to share with us?
