Ref FDA-2023-N-0155

Front of pack food labeling should be required to include

- 1) All allergens present or potentially present using standardised icons (including gluten, not just wheat)
- 2) Total Grams of Added Sugars
- 2a) Must disclose if artificial sweeteners are being used
- 3) Total Fat
- 4) Total Protein
- 5) A grading scale for nutritional value between red, yellow and green
