

## CREATE TECHNICAL BUG REPORT FOR FEE TAGGING BETA

Please include as much information as possible to assist us with identifying, replicating, and resolving the reported issue in a timely manner. When submitting your bug report, please ensure that all required fields are complete and no personally identifiable information (PII) or sensitive information is included. If we are able to replicate and address the reported issue we will address it in the next release’s notes. We cannot respond directly to reported issues. If additional clarity is required, we will contact the Login CIK’s administrative contact on file.
