

## Abstract and Topic Suggestion Submission Form

Control Number: 0925-0740

Expiration Date: 09/2025

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Thank you for your interest in participating in the 5th Annual NIH HEAL Initiative® Investigator Meeting. This will be a hybrid meeting held on Feb. 7-8, 2024. The in-person portion of the meeting will be held at the Bethesda North Marriott Hotel & Conference Center in Bethesda, Maryland.

HEAL is looking forward to receiving your research abstract for a poster or oral presentation. We also welcome ideas for meeting sessions (topics or challenges/opportunities). Please see below for additional details on how to submit via this form.

### Deadlines:

- Scientific symposium presentation abstract: Sunday, Sept. 10, 2023, at 11:59 p.m. ET.
- Topic suggestion: Sunday, Sept. 10, 2023, at 11:59 p.m. ET.
- Research poster abstract: Sunday, Dec. 10, 2023, at 11:59 p.m. ET.

### Selection notification:

- Those selected for a scientific symposium presentation will be notified in October 2023 via email.
- Those selected for a research poster presentation will be notified in December 2023 via email.

Registration for the meeting will open in October 2023.

If you have any questions about the meeting or this form, please email [HEALInvestigatorMeeting@iqsolutions.com](mailto:HEALInvestigatorMeeting@iqsolutions.com).

Abstracts submitted on this page will be considered for a presentation during a scientific symposium at the meeting. Those who are selected to present will be notified in October 2023. We request that all presenters attend the meeting in person in Bethesda, Maryland.

Deadline to submit abstract: Sunday, Sept. 10, 2023, at 11:59 p.m. ET.

First Name:

Last Name:

Email:

Company, Organization, Institution, etc.:

Job Title:

RePORTER Project Number:

This number refers to your HEAL-funded project. It can be found on [reporter.nih.gov](https://reporter.nih.gov).

HEAL Research Program:

If you do not know your research program, search for your HEAL-funded project at [heal.nih.gov/funding/awarded](https://heal.nih.gov/funding/awarded).

Has your HEAL research team registered your study and submitted study-level metadata to the HEAL Data Platform (<https://healdata.org/landing>)?

Registering your HEAL study on the HEAL data Platform aggregates detailed information, or metadata, about your study and makes it findable and transparent.

- Yes, we've registered and submitted study level metadata.
- We have registered our study but not submitted metadata.
- We have not registered or submitted metadata.
- I'm not a researcher working on a HEAL study.

What is your role on your HEAL-funded project?

Principal or Co-Investigator

Trainee

Other, please specify below

Are you an early career investigator?

Yes

No

Are you: *Mark all that apply.*

Female

Male

Transgender

Non-binary

Another gender

Are you Hispanic or Latino?

No, not Hispanic or Latino

Yes, Hispanic or Latino

What is your race? Select one or more.

American Indian or Alaska Native

Asian

Black or African American

Native Hawaiian or Other Pacific Islander

White

Proposed Presentation Title:

Please provide an abstract for the work you would like to present (max. 400 words).

Clicking "Next" will submit this abstract. After clicking Next, if you would like to submit another response, you may click the original link to this form to return to the beginning.

Abstracts submitted on this page will be considered for a research poster presentation during the in-person poster session. Those who are selected to present will be notified in December 2023.

If you will be attending the meeting in person, you will bring the physical poster with you on the day of the meeting. We recommend your poster be 8 ft (width) x 4 ft (height). Additionally, you will receive a link closer to the meeting to upload a PDF of your poster. All posters should comply with Section 508 standards. A guide will be provided on how to create an accessible poster.

Deadline to submit abstract: Sunday, Dec. 10, 2023, at 11:59 p.m. ET.

*The information collected in this form should refer to the poster presenter. There is a place at the end of this form to add co-authors.*

### Topic Suggestions

Deadline to submit a topic suggestion: Sunday, Sept. 10, 2023, at 11:59 p.m. ET.

What topics would you like to hear about at the meeting (e.g., scientific topics, federal perspectives, trends, developments)?

What challenges are you facing? How can we best address them at the meeting?

What session formats would you like to see at the meeting (e.g., plenary sessions, scientific symposia, poster sessions, discussion groups, workshops, etc.)?
