NCI-CBIIT Digital Channels Satisfaction Survey

General Questions

Ω1

NCI CBIIT Digital Channels Satisfaction Survey

The National Cancer Institute's (NCI's) Center for Biomedical Informatics and Information Technology (CBIIT) strives to better serve the information needs within the cancer data science community.

We want to hear from you. Complete this 10-minute, semi-annual survey on your experience with NCI/CBIIT digital channels - website, social media accounts and email subscriptions. All questions are optional and you may exit this survey at any time.

NCI's data science website:

datascience.cancer.gov

NCI's data science social media accounts and email subscriptions:

1. Twitter:

- @NCIDataSci official Twitter account of NCI CBIIT
- @NCIKerlavage official Twitter account of CBIIT Director
- @NCIJBSloan official Twitter account of Informatics and Data Science (IDS) Program

Associate Director 2. LinkedIn:

https://www.linkedin.com/groups/4409243/

3. Email subscriptions:

NCI Data Science Updates - weekly RSS

NCI Data Science Quarterly Career newsletter

OMB No.: 0925-0642 Expiration Date: 03/31/2026

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA(0925-0642). Do not return the completed form to this address.
