General Comment

Control Number 0917-0037

Notice of Business Concern.

Currently unfair and deceptive business practices are taking place. The using of fictitious names on a summons by publication is fraudulent activity. A local government entity is responsible for misappropriation of a trade secret and misusing of private legal documents. These contracted employees/attorneys must be fined and or prohibited from practicing law. Their actions if successful in court , will cause irreparable harm to a small business entity entitled to relief.

In Good Faith
