this shoudl not be allowed there should never be waivers issued when there are ground for inadmissibility. we dont have to give foreigners extra breaks at all. we can just say no. we dont want to let you into this country it is well past time to do exactly that. es -stealingcan the waivers. just deny and consider that final. we already have 5 milion illegal criminals let into this country by joe biden causing all kinds of robberies - stealing cars - stealing from businesses, the people who dont observe laws are criminals right from the beginning., they know the law is to keep them out but they keep coming anywya. no extra benefits for these lawbreaking scum. they are lawbreaking scum for coming to a lawful country and destroying it., we are being destroyed by all these robbers, drugger, prostitutes coming over the line. we dont want them here. we want the southern and northern border patrolled by the army,navy and air force. we want a wall. we want them kept out. we dont want them to get more rights than vcitizens which is what they are getting today., biden is scum for destroying america like this.
