
Telehealth Demonstration and Evaluation Project
Student Survey Consent Form (Students over 18 years old)

What is the purpose of the survey?

ICF, a research company, is working with El Rio Health to learn more about students' health behavior and health services. The information you give will be used to improve access to health services for young people like yourself.

What am I being asked to do?

You will fill out a survey.

How long will it take?

The survey should take about 10 minutes to complete.

Is my information private?

We will not ask your name, so your answers on the survey will be private.

Is it voluntary?

It is up to you if you want to take part. Even if you decide to do it and then change your mind, you can stop at any time.

What are the risks?

Participating in the survey is not expected to cause you any harm.

What are the benefits?

There is no direct benefit to you in filling out the survey. However, what we learn from you will help us understand how to improve health services to students like you.

Token of Appreciation

If you take the survey, you will receive a small token of appreciation. You will still get the token of appreciation even if you do not answer all the questions.

If you have questions

If you have any questions, you may email Joy Baynes at joyb@elrio.org or Samantha Hubbard at samantha.hubbard@icf.com. If you have questions related to your rights as a participant, you may call the ICF Institutional Review Board (IRB) at 404-321-3211.
