Question: What about a **smartphone, or a cell phone** that connects to the Internet? (If needed) [Do you/Does anyone in this household] use a **smartphone?** (If yes & is multi-person household) Who is that?

Comment: please use smartphone/cell phone in both places so we know what the person is answering.

What about using social networks, such as Facebook, Twitter, or Instagram? (If needed) [Do you/Does NAME] use social networks?

Comment: Suggest adding TikTok as it is growing so fast.

In the past six months, [have you/has NAME] participated in video or voice calls or conferencing over the Internet, such as with FaceTime or Zoom? (If needed) [Do you/Does NAME] participate in video or voice calls or conferencing?

Comment: Suggest adding Teams as it's use has vastly increased.

What about interacting with household equipment or appliances that are connected to the Internet, such as a smart thermostat, light bulb, or security system? (If needed) [Do you/Does NAME] use the Internet to interact with household equipment or appliances?

Comment: Suggest adding Door Ring

What are the reasons why [you/members of your household] do not use the Internet at home?

Comment: Suggest adding "Don't know how?"
