

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-XXXX. Without this approval, we could not conduct this survey. Public reporting for this information collection is estimated to be approximately 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the NOAA Ocean Acidification Program, Liza Wright-Fairbanks, liza.wright-fairbanks@noaa.gov.

# ECOA Post-Cruise Survey

Completing this post-ECOA survey regarding Workplace Violence Prevention and Response is entirely optional. Your information is not being collected unless you provide it in the last question of the survey. Your participation or not in this survey in no way impacts your ability to join future cruises supported by the NOAA OAP. Thank you in advance for completing this survey.
