The Minnesota deadline continues to be listed incorrectly in each iteration of the DRAFT 24-25 FAFSA. Legislation in Minnesota from May, 2023 changed our deadline from the 30th day of the term to the last day of the fiscal year. So for 2024-2025, the deadline should be June 30, 2025. I submitted this info in May, August and now again in September via NASSGAP.
