Subject: Draft ICR request -- NIST MEP Client Impact Survey (OMB Control #: 0693-0021)

Dear Ms. Blum,

On behalf of the American Economic Association (AEA) and the Industry Studies Association (ISA), I request a copy of the draft ICR for the NIST MEP Client Impact Survey (OMB Control #: 0693-0021), as invited by the April 7 [Federal Register](#). Thank you and we look forward to seeing the draft data collection instrument and supporting statement. In the meantime, I have posted the following for AEA and ISA members <https://www.aeaweb.org/forum/3640/manufacturing-extension-partnership-comments-extension> and am happy to revise on the receipt of draft ICR materials.

Sincerely,

Andrew Reamer
