

Relevancy Questionnaire

Please enter the Participant ID:

Now we would like to ask you some questions about your attitudes and experiences with the test that you just completed. Your honest answers will help us understand the aviation relevance of the test. All of the information that you provide will be de-identified, and will not affect your results.

Was the test difficult enough to challenge your abilities?

☐ Yes

☐ No

Safely piloting an aircraft involves performing difficult and safety critical tasks that require a broad range of mental abilities. In relation to the flying tasks that you regularly perform, rate the difficulty of the test that you just completed.

☐ 1 (test is less difficult)

☐ 2

☐ 3

☐ 4

☐ 5

☐ 6

☐ 7 (test is more difficult)

Does this test measure skills relevant to the skills that you use to pilot an aircraft?

- ☐ 1 (low relevance)
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ 7 (high relevance)

Please provide any other feedback about your experience that you would like to share.
