

Form confirmation email

Users submitting a response to the recruitment form will receive this automated message:

Hello,

Thank you for offering to participate in NSF user research. We'll review the information you provided and will reach out with additional questions if we are able to interview you.

Our upcoming remote feedback sessions will focus on NSF's [Funding Search](#) experience. We will ask interview questions about how participants search for funding and will ask participants to share their screen with us via Zoom while they complete some tasks. You don't need to know anything about NSF.gov to participate.

You may opt out at any time, so if you no longer wish to participate, just let us know and we'll remove you from our participant pool.

If you have questions, please reply to nsf-gov-feedback@nsf.gov and a member of the team will be in touch.

We look forward to connecting with you.
