Day 1 Survey

As part of the National Science Foundation grant funding for the NRT program and annual meeting, we are collecting data regarding your experiences participating in the conference. This is an anonymous survey and will take 10 minutes to complete. The OMB clearance number for this survey is 3145-0215.

All data will be provided in summary form to the National Science Foundation and the results of this study will be used for program improvement and planning for the 2024 annual meeting.

Your participation is voluntary. You have the right not to answer any question, and to stop participation at any time. There are no foreseeable risks or discomforts to your participation. Data collected as a part of the current study will not be shared with others (e.g., investigators or industry partners) for future research purposes or other uses.

You must be 18 or older to participate in this survey.

If you have any questions about this survey, please reach out to Wendy Barnard (wendy.barnard@asu.edu) at Arizona State University. If you have any questions about your rights as a subject/participant in this research, or if you feel you have been placed at risk, you can contact the Chair of the Human Subjects Institutional Review Board, through the ASU Office of Research Integrity and Assurance, at (480) 965-6788.

Please indicate your willingness to be part of the study by clicking the consent button below to be directed to the survey questions.

○ I am 18 or older and I consent to participate in this study
