1. we shuoudl notbe letting in any foreigner under this dubious much propagandized document since the signatures are pure lies and the person subscrbing intends to put the foregner onto the publi welfarelist as soon s they get here the person who says they will support never does support or they traffic the forfeigners or some other nefarious criminal scheme. this entire scheme is not honest, decent a nd has criminal overtones. the us gove never checks any of these people to be sure that they are in fact being supported byt he character who says he or she will support. this is just simple criminal in nature. it shows the corruption of the entire us govt.which has become third world int he last 2\10years. while the aemricna populace has been watching movies or figcion on tv, the entire us govt has ecome gthe most criminally coreupt in the world. it beats many other corrupt contries at this time. omb 1615-0075. the us is overwhelmed b y foreigner. it is being balkanized so thatnobody in the country wants to live with anybody else. you cannto do that to a country. we had the example of yugoslavia and biden made it worse. worse president in history.
