(/events)

[events \(/events\)](#) [Log Out \(/user/logout\)](#)[National Cancer Institute \(https://www.cancer.gov/\)](https://www.cancer.gov/)

You have already submitted this webform. **View your previous submissions**
(/form/lung-spore-investigator-abstract/submissions).

Use the form below to submit a single abstract. Abstracts are used to inform the agenda based the session topics. Although abstract submission is not required to attend the meeting, in-person meeting attendance is required if the abstract is selected by the scientific committee for either oral or poster presentation. Abstract submitters will choose a session topic, however, there is a possibility that the topic selected will be changed by the scientific committee for agenda balance.

Abstracts may be ideas/concepts in development, work already in progress but not completed, or completed work including already published work. We are also looking for presentations outside of official SPORE project topics – anything interesting that has to do with Lung Cancer is eligible to be submitted as an abstract.

The session topics are:

Session 1: Driver Oncogene Addiction

Session 2: Health Disparities in Lung Cancer

Session 3: Novel Immunotherapeutic Clinical Approaches

Session 4: Tumor Immune Interactions

Session 5: Cancer Biology

Session 6: Lung Cancer Risk and early Detection

Session 7: Potpourri

Session 8: SCLC

Abstract Submission Deadline: [DATE] by 3pm ET. Confirmation emails will be sent upon submission.

Abstract submission questions can be addressed to Tamara Walton
(mailto:tamara.walton@nih.gov).

Please register (/dctd/lungsporemeeting/registration) before submitting an abstract

OMB No.: 0925-0740
Expiration Date: 9/30/2025

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Select a Session Topic

- ☐ Session 1: Driver Oncogene Addiction
- ☐ Session 2: Health Disparities in Lung Cancer
- ☐ Session 3: Novel Immunotherapeutic Clinical Approaches
- ☐ Session 4: Tumor Immune Interactions
- ☐ Session 5: Cancer Biology
- ☐ Session 6: Lung Cancer Risk and early Detection
- ☐ Session 7: Potpourri
- ☐ Session 8: SCLC

Abstract Submission Instructions:

- Abstract size is limited to 350 word maximum, 100 mg file size. Images and hyperlinks are allowed.
- All abstracts will be collated into a publicly published abstract book that will be distributed via email initially but will eventually be hosted on the TRP website (trp.cancer.gov).
- Please submit the abstract MS Word (avoid .pdf). The file should follow this nomenclature: Submitter's last name_Institution_Session #.
- Abstract submission questions can be addressed to Tamara Walton at tamara.walton@nih.gov (<mailto:tamara.walton@nih.gov>).

Poster Submission

Congratulations you have been selected by the Scientific Committee to present your abstract titled **[webform_submission:values:abstract_title]** in a poster session both in-person and online.

Poster Session Requirements:

In-person attendance is required to present your abstract during the Poster Session on [DATE]. View examples of abstract posters layouts (<https://events.cancer.gov/eib/iig/posters>).

Specifications for In-person Poster Presentations:

- **Size:** printed size should be 4 ft in height by 6 ft. in width
- **Orientation:** Posters must be in landscape orientation
- **Content:** Posters should contain the following headings:
 - Purpose
 - Methods
 - Results
 - Conclusions

Specifications for Online Poster Presentations:

- **Format:** Posters must be submitted in JPEG/JPG file format
- **File Size:** File sizes must be no larger than 70 MB
- **Orientation:** Posters must be in landscape orientation
- **Content:** Posters should contain the following headings:
 - Purpose

- Methods
- Results
- Conclusions

Tips for creating a good poster:

- Title matches title of abstract
- Text is clear and to the point
- Important information should be easily readable (at least size 20 font)
- Use of bullets, numbering, and headlines make it easy to read
- Effective use of graphics, color and fonts
- Consistent and clean layout
- Includes acknowledgments, your name and institutional affiliation

Please use the upload link below to upload your poster no later than [DATE]

Upload Poster

Must be a .jpg or .jpeg no larger than 70 MB.
