Data Administration and Technical Advisory (DATA) Board | 2024 Milestone Prioritization

As we head into a new year, we want to both celebrate our accomplishments and reflect on the priorities we've set for the future. Please review this list and:

1. Select your top priorities of "unfinished business" from the 2023-2024 Roadmap.
2. Suggest additional priorities that you think the DATA Board should focus on in 2024 and 2025.

At the January DATA Board meeting, we will discuss the results of this survey and propose the new Roadmap. While the Secretariat will have access to your email, we will not associate you with your responses during the DATA Board meeting.
