our current prez has flooded the usa with 20 million illegal i mmigrants and the usa is overwhelmed with foreigners. we should not close the borders to all foreigners of any kind. we shoudl shut down this program, which is full of liars who say they are not immigrants but who stay over. we have about 50 million here under that lying category. the usa is corrupt as any third world nation in not fully protecting americans. it used tobe valuable to be an american citizens,now we are treated as slaves by aa totally corrupt govt which does not listen to its people. the people are to have power in an alleged democracy. it is a fraud to say it is a democracy anymore., a total and complete fraud. no regulatory aency listent to the people. they all listen tomomey frmo rich coroporate types. americ has gone downhill. when will it live up to the slogans.admit no more people at this time. deport 20 million is the effort shoudl be made at this time in the usa. deport them all. they are shysters, criminals druggies and the worst kinds of peple. we used to be careful who we allowed to come here. now any criminal can come across our southern and canadian border. or frmo teh sea. and they are comng to sully the entire country. to crimnalize america.
