

OMB Control Number: 3150-0217

Expires: TBD

Dear RIC 2024 attendee:

Thank you for attending the U.S. Nuclear Regulatory Commission's (NRC's) 36th Annual Regulatory Information Conference (RIC) and helping make the RIC such a success! To build on the achievements made and to address any areas where refinements could be made to the conference program, we are requesting you to take a moment to complete a conference evaluation for the 2024 RIC. Please note that this survey takes approximately eight (8) minutes to complete, and that your responses are anonymous. Data will only be presented in aggregate form. Again, thank you for your support of the RIC!

Public Burden Statement: The estimated burden to respond to this voluntary information collection is eight (8) minutes. The information provided will be used to determine areas of improvement for future conferences. If a means used to impose an information collection does not display a currently valid OMB control number, the NRC may not conduct or sponsor, and a person not required to respond to, the information collection.

Click the button below to begin the survey.
