ecommend eing deprive ral areas at e dont want	we end Special Use A d and left out by gove the expense of taxpa	ernment, but that is ju yers. True rural peop want Wall street. We	etter protect public lands. There is a fallacy being spread that Rural p ust republican transplants who are developers and realtors who wan le dont want broadband, we dont want development, we dont want dont want government handouts that would just go to some develop to stay home.	t to exploit californians,
