Dear <RANK NAME> <FNAME> <LNAME> <PNCDNCY>:

The 2023 [TRICARE Select Survey](#) asks about your experiences getting health care services through TRICARE. We are committed to providing you with the best quality health care and services available. This is different than other surveys you may have received.

Why is this survey important? Why should you participate?

We do not survey many people. No other data source can tell us what you experienced with TRICARE –good or bad.

➔ Yes, we need YOUR response!

We'd like to know what could be better and what is already working that we should keep going forward.

➔ Yes, we really READ your responses!

Results from this survey are used in reports to Congress and by working groups within the Defense Health Agency who are committed to bring you better, faster services to improve your health.

→ Yes, the information you provide really IS important and will drive change!

Help us serve you better. This brief survey should take about 15 minutes or less of your time.

Frequently Asked Questions

What is this survey about?

This survey is not about a particular health care visit, but about your health care experiences overall. Even if you don't use TRICARE now, either on a military installation or in a civilian provider's office, we still want to understand your health care experiences.

Why should I respond to this Survey?

We need your responses, not just responses from other people. The results are used to evaluate the services you have received in meeting your health care needs either through TRICARE or any other health insurance plan. Your feedback will benefit not only you and your family, but also other fellow military families. DoD takes this survey very seriously and your input is truly critical to our efforts.

What happens to my answers?

Your answers will be kept confidential, and the survey vendor DoD has contracted with to field this survey will not share any information that could identify you. Your participation is voluntary and will not affect your health benefits.

Who do I contact if I want more information before responding?

If you have questions about the survey or don't want to participate, please send an email to TSSB@altarum.org; or please call **1-866-387-9015**; For prompt assistance, please include your survey ID number. For questions related to TRICARE, please go to www.tricare.mil/contactus, or for the East Region call 1-800-444-5445, West Region call 1-844-866-9378.
