this entire operation is a fraud and fakery tot he american public.nobody is kept out of the usa or out of employment. many illegals are workign off the books. they stand on street corners and get jobs that are never reported to teh us govt. they take jobs from american citizens. the entire system is rigged and substandard. the management of the system isnot working for the best of america. we need a better system. we dont have any idea at all of who is here, what they are doing, who they are robbing or killing, nothing of this ystem is good for america. we need tighter controls on imigration and an immediate shut down of all immigration. let nobody into the usa without far far more documentation than we get now. its disgusting how lax this agency is running things anjd biden is responsible for the irresponsiblility of safety in the usa. absolutely irresponsible of demented biden.
