### LANDING PAGE

## 5th Annual NIH HEAL Initiative Scientific Meeting Assessment Form

OMB Control Number: 0925-0648

Expiration Date: 06/30/2024

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

---

All questions are optional and participants may exit this survey at any time.

Select how you attended the meeting:

In person

Virtually

Next

Select your attendee type:

HEAL-funded researcher – principal investigator or co-investigator

HEAL-funded researcher – other research team member (please specify)

NIH staff or other federal staff

Community partner (e.g., person with lived or living experience, community advisor to a HEAL-funded project, professional or advocacy organization representative)

Other (please specify)

## IN-PERSON PATH

Attendee Type: HEAL-funded researcher – principal investigator or co-investigator

Was this your first time attending the meeting in person?

No, I've attended the meeting in person before.

Yes, but I've attended the meeting virtually before.

Yes, I've never attended the meeting in person or virtually.

Back

Next

How satisfied were you with the meeting?

Not at all satisfied

Slightly satisfied

Moderately satisfied

Very satisfied

Completely satisfied

Back

Next

Rank your favorite sessions. Select up to three.

1 Poster session

☐ Keynote Address from Dr. Monica Bertagnolli, Director, NIH

2 JCOIN Program Update

☐ HEAL Data Ecosystem Presentation

☐ HEAL Leadership Updates and Priorities

☐ Engineering Scientific Solutions for the Opioid Crisis

☐ BACPAC Program Update

3 Trailblazer Awardee Presentations

☐ HEAL Connections Presentation

☐ Scientific Symposia and Discussion Sessions

What did you like about Trailblazer Awardee Presentations?

Back

Next

How will your experience at the meeting inform your research?

Back

Next

Did you meet anyone at the meeting you plan to collaborate with in the future?

Yes

No

Were you able to strengthen any existing collaborations at the meeting?

Yes

No

If yes, please explain.

Back

Next

What scientific topics would you like to see at future meetings?

Back

Next

What session formats would you like to see to facilitate discussion among attendees at future meetings?

Back

Next

Did you attend the community partner networking session during lunch on Wednesday?

Yes

No

Back

Next

Did you find the community partner networking session valuable? Why or why not?

Back

Next

This year, we asked presenters to develop their presentations so that everyone, including researchers outside of their field and community partners, could understand the key takeaways.

Did you think this was successful?

Yes

No

Why or why not?

Back

Next

Did you attend a research program satellite meeting on February 9?

Yes

No

Back

Next

Which research program satellite meeting did you attend?

Biomarkers of Myofascial Tissues for Clinical Pain Management

CoARS Meeting

Harm Reduction Research Network Discussion

HEAL Biomarker Program Investigators' Meeting

HEAL Data Ecosystem Discovery Teams 2024 Planning

HEAL Initiative Devices and Technology Satellite Event

Health Equity in Pain Management

IMPOWR/MIRHIQL

Polysubstance Use Treatment Initiative Meeting

PRECISION Human Pain Network Meetup
