General Comment

I believe you have the data listed for Wallowa County Oregon as incorrect. We have 6415 Registered Voters as of 12/18/2023. Your Website displays information from 2022 EAVS survey showing Wallowa County having 107.4% of CVAP. I am unsure of where you get your data. Could you please explain to me, what data you base your figures on? I would like to have this fixed prior to 2024 Presidential Election. What do you need from me to correct this?
