

Interest in Reviewing OPE Grant Applications

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1880-0542. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Office of Postsecondary Education at TRIO@ed.gov directly. [Note: Please do not return the completed form to this address.]

11. Privacy Notice

The personally identifiable information (PII) requested on this form is collected through authorization under the Higher Education Opportunity Act that allows the U.S. Department of Education to seek peer reviewers to read and evaluate discretionary grant program applications. Potential peer reviewers provide OPE with information about their educational background and expertise, their technology skills, their grant reading history, and program experience. Applying to be a peer reviewer through this site is the first step in the selection process. Interested persons must be deemed qualified for a particular reading, confirm their availability for a reading, and be selected by the program before they are considered a reviewer for a competition. The information you provide is voluntary. While your information will not be disclosed outside of the Department, there may be circumstances where information may be shared with a third party, such as a Freedom of Information Act request, court order or subpoena, or if a breach or security incident would occur affecting the system.
