

U.S. Secret Service SMD Investigator Integrity Questionnaire

Privacy Act Statement

AUTHORITY:

U.S. Secret Service (USSS) is authorized to collect the information requested on this form pursuant to 18 U.S. Code § 3056 - Powers, authorities, and duties of United States Secret Service.

PURPOSE:

The purpose of this survey information is used to assess the quality, integrity, and professionalism of USSS investigators conducting interviews for the USSS security background investigation. All feedback will be reviewed by SMD personnel for quality assurance and improvement of the background investigation process.

ROUTINE USES:

The information requested on this form may be shared externally as a “routine use” to USSS Inspection Division personnel to assist in gauging satisfaction of law enforcement partners (local and federal) with their respective USSS field offices. A complete list of the routine uses can be found in the system of records notice associated with this form, DHS/ALL-002 Department of Homeland Security (DHS) Mailing and Other Lists System, November 25, 2008, 73 FR 71659 and DHS/USSS-003 Non-Criminal Investigation Information System October 28, 2011 76 FR 6693. The Department’s full list of system of records notices can be found on the Department's website at <http://www.dhs.gov/system-records-notices-sorns>.

CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION:

Participation in this survey is optional, and there are no penalties for refusing to answer any questions. However, your participation is extremely important to ensure that the Secret Service Security Management Division (SMD) monitors all interviews conducted by security background investigators and that interviews conducted by those individuals are being handled effectively, efficiently, and professionally in accordance with Federal Investigative Standards.
