The application process is ok for those that have a home computer but not so much for older folks that dont have access. When going in oerson to HHS, one doesnt always get met with a cheerful, helpful staff.

The amount given per momth is not enough to allow disabled individuals to continue to live in Montgomery County MD. With the prices of food increasing and not coming back down because it would be disastrous for the economy, one cannot afford enough food with the SNAP program and find themselves tracking down food distribution hand outs. Being disabled it is not easy to access enough food to survive on. The amount given should be based on the county that you live in. It is too expensive to live in this county.
