## General Comment

I am a US citizen living in Canada for 18 years. The FBAR is a senseless waste of my time. You are trying to tax offshore accounts of tax cheats and you have accidentally created huge headaches for citizens abroad who owe no taxes. Please either abolish the FBAR requirement for citizens LIVING abroad, or else put a MUCH higher (TOTAL money abroad) filing requirement on it so that regular citizens are not caught up in paperwork (and HUGE threats of fines if you forget!) meant for US domestic residents hiding their money overseas. Thank you!
