**NCI CBIIT Data Science: Website and Email Satisfaction Survey**

Welcome to the National Cancer Institute's (NCI's) Center for Biomedical Informatics and Information Technology (CBIIT) survey. Our aim is to enhance our services to better meet the information needs of the cancer data science community.

We value your feedback. Please take a moment to complete this 5-minute semi-annual survey about your experience with NCI's data science website (available at <https://datascience.cancer.gov/>) and email (weekly RSS) subscription. Participation is voluntary, all questions are optional, and you may exit the survey at any time.

Your input is greatly appreciated.

OMB No.: 0925-0642

Expiration Date: 03/31/2026

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA(0925-0642).
