

Burden Disclosure Statement: Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

The National Institute of Mental Health invites you to participate in a survey about our brochures and fact sheets. The goals of this survey are to get a better understanding of who is using our brochures and fact sheets and how they are using them. [See NIMH brochure and fact sheets.](#)

Your response to this survey is voluntary, and you may exit the survey at any time.

Would you like to participate in this short 9-question survey?

☐ Yes

☐ No
