

Collection of this information is authorized by The Public Health Service Act, Section 411 (42 USC 285a). Rights of participants are protected by The Privacy Act of 1974. All questions are optional and you may exit the survey at any time. Participation is voluntary and there are no penalties for not participating or withdrawing at any time. The information collected will be kept private to the extent provided by law. Names and other identifiers will not appear in any report. Information provided will be combined for all participants and reported as summaries. You are being contacted by email to complete this form so that the CCIS Planning Committee can determine presenters for the CCIS Annual Meeting.

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

## Submission Form

### 1. Title of abstract

- **Format:** Only capitalize the first word of the title, proper nouns, and the first word after a colon used in a two-part title
- **Example:** Implementation of the EPIC Wheel to promote social needs screening among cancer patients

*Insert text here*

### 2. Select preferred presentation format:

- Oral only
- Poster only
- Either

### 3. Select the most relevant keywords from list provided: *(select all that apply)*

- |                                            |                                                       |                                                        |
|--------------------------------------------|-------------------------------------------------------|--------------------------------------------------------|
| <input type="checkbox"/> Adaptation        | <input type="checkbox"/> Environment                  | <input type="checkbox"/> Policy                        |
| <input type="checkbox"/> Capacity Building | <input type="checkbox"/> Equity                       | <input type="checkbox"/> Population                    |
| <input type="checkbox"/> Climate Change    | <input type="checkbox"/> Ethics                       | <input type="checkbox"/> Scale-up                      |
| <input type="checkbox"/> Clinical          | <input type="checkbox"/> Evidence-Based Interventions | <input type="checkbox"/> Social Determinants of Health |
| <input type="checkbox"/> Community         | <input type="checkbox"/> Global Health                | <input type="checkbox"/> Sustainability                |
| <input type="checkbox"/> Context           | <input type="checkbox"/> Implementation               | <input type="checkbox"/> Technology                    |
| <input type="checkbox"/> De-implementation | <input type="checkbox"/> Innovation                   | <input type="checkbox"/> Theory, Models and Frameworks |
| <input type="checkbox"/> Dissemination     | <input type="checkbox"/> Measures                     | <input type="checkbox"/> Workplace Health              |
| <input type="checkbox"/> Economics         | <input type="checkbox"/> Methods                      | <input type="checkbox"/> Other (write in)              |

4. What is the scope of your work?

- Local
- National
- International

5. Structured abstract text entry

- **Format:** Max 2300 characters (including spaces); text only

Must include these sections:

PURPOSE: (1-2 sentences, if possible)

METHODS:

RESULTS: (adequate to support conclusion)

CONCLUSIONS: (Do not use phrases such as "The results will be discussed")

*Insert text here*

6. Authors

- **Format:** Max 10 authors

Last name followed by first and middle initials (middle initial optional) for each person. Enter all the authors (including the presenting author) in a list with each person separated by a comma.

- **Example:** Rodriguez MA, Smith BC, Chen X, Jackson P, Abdullah KA

*Insert text here*

7. Contact information of **presenting** author

- First Name \_\_\_\_\_
- Last Name \_\_\_\_\_
- Degrees \_\_\_\_\_
- Position Title \_\_\_\_\_
- Institution/Organization \_\_\_\_\_
- Email Address \_\_\_\_\_
- Phone Number \_\_\_\_\_

8. Indicate if the presenting author is currently in training (pre-doctoral student or post-doctoral fellow)

- Yes
- No
- Unsure

9. Indicate if the data collection for the abstract was supported by an NCI-funded grant

- Yes
- No
- Unsure

**SUBMIT**
