I oppose the plan to eliminate the Academic Libraries survey. Anything and everything that can be done to promote the health and growth of public libraries is needed. I have volunteered at our liocal public library in notheren Wisconsin for over 23 yuears. It is a vibrant place where people want to come for a myriad of purposes. It is a hub of our community. Keep suirveying. Thank you for your attention to this matter.

Sincerely,
Norda Gromoll
