Because the GOP habitually projects its own flaws onto its opponents, GOP politicians have been ranting that Democrats are trying to "steal" the election. So let's look at what the GOP is doing:

- The Trump campaign sued states to prevent them from mailing out ballot applications
- The GOP put a political hack in charge of the US Postal Service, who promptly sabotaged first class mail delivery
- In Texas the GOP will only allow each county to have a single drop-off ballot box. Harris County has 4.7 million residents.
- Also in Texas the GOP is trying to throw out 127,000 legally cast ballots
- In Wisconsin the GOP shortened the early voting period by two weeks
- In Georgia the GOP closed polling places in primarily black and brown neighborhoods
- In Alabama the GOP went to the Supreme Court to force absentee voters to get two people to notarize their ballots
- In multiple states GOP supporters have sent threatening robocalls to black voters
- And Trump has encouraged armed poll watchers to intimidate voters

That's the GOP Hypocrites. Cheaters. Morons.
