This document certifies that the above named individual participated in NSDUH, a voluntary survey for the U.S. Department of Health and Human Services. Across the country, some participants approach their school teachers or other group leaders to ask about possible special community service credit as they completed this important national survey. The time commitment for participation in this survey is between 1 and 2 hours. A copy of the NSDUH brochure, which explains the study in more detail, should accompany this certificate.
