none of these foreign liars and sneaks should get one penny of american tax dollars. all of them need to be stopped at the border and if they get through find them and deport them immediately when found. none of them are worth being in the usa. the real victims of trafficking are the us citizens who are being bankrupted to pay for these foreign leaches who belong in their own country instead of sneaking all over there to get leaching on us citizens. stop the bankrupting of american citizens for these sneaking leaches from foreign countries. send them home to their rotten countries. they are making america into the they came from.
