All the comments were submitted in the HRSA administrative burden assessment with details of how long it takes us to do the annual reporting. Instead of 560 hours for Form 1, it takes us over 6000 hours including work from LIAs, partners and awardee. Instead of 221 hours for Form 2, it takes us over 60000 hours including work from LIAs, partners, and awardee. Suggestions about how to reduce burden were given through the HRSA administrative burden assessment survey.
