

# NOAA Workshop on Leveraging AI in Environmental Sciences - Feedback Survey

(OMB Control No. 0690-0030; Expiration Date: 7/31/2026)

Thank you for attending the NOAA Workshop on Leveraging AI in Environmental Sciences (NOAA AI Workshop). We invite you to take the following voluntary survey\* to gather attendees' feedback to improve future NOAA AI Workshop. All responses are anonymous.

If you would like to contact the workshop planning team, please email us at [ai.workshop@noaa.gov](mailto:ai.workshop@noaa.gov).

\* The information you provide is securely stored by NOAA and is used only by the United States Government to support the NOAA AI Workshop series. The information will be protected using least access privilege. A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0690-0030. Without this approval, we could not conduct this survey. Public reporting for this information collection is estimated to be approximately 15 minutes per response, including the time for reviewing instructions and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the NOAA AI Workshop planning team co-chairs Douglas Rao, Rob Redmon, and Eric Kihn at [ai.workshop@noaa.gov](mailto:ai.workshop@noaa.gov).
