VHA has been conducting, sponsoring and requiring responses to this information collection without a currently valid OMB control number since July 31, 2020.

The FRN says: "An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number."

The current status of the IC should be stated in the FRN
Expired OMB control numbers should be published in the FR.
PRA protections need to be enforced by OMB.
