SSA, 3. Delete "The use of the paper form allows claimants to apply for reimbursement indirectly (at remote locations and outside of business hours), but use of information technology has enhanced the process. The BT Mileage Reimbursement Application was made available to claimants via self-serve kiosks located in VA facilities in April of 2015. However, these legacy kiosks have been removed due to outdated software."

This section is not asking about paper forms or outdated technology.
