

Abstract and Session Submission Portal

Submission Deadline: January 17, 2025 11:59 PM EST

OMB # 0925-0740
Expiration Date: 09/30/2025

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Thank you for your interest in submitting a scientific abstract or session to the [13th Annual Symposium on Global Cancer Research](#). Please review all submission guidelines on our Symposium website, [here](#), before submitting a proposal.

Submit Abstract

Submit Session

Thank you for your interest in submitting a scientific abstract to the [13th Annual Symposium on Global Cancer Research](#). Please review all submission guidelines on our Symposium website, [here](#), before submitting an abstract.

If you experience any technical issues related to your submission, please contact Michelle Murray at conferences@luminacorps.com. For questions regarding submission content, please contact Linsey Eldridge at Linsey.Eldridge@nih.gov.

The deadline to submit, modify, and withdraw your abstract is January 17, 2025.

Abstract Submission

If you'd like to submit a session proposal, please follow this [link](#).

Submission Deadline: January 17, 2025 at 11:59pm EST

* Please choose the appropriate category that best describes the content of the abstract and the audience you wish to reach. This information will be utilized by the members of the Steering Committee to identify appropriate reviewers and session planning. Before making your selection, please review the entire list for the most appropriate abstract category. Additional information for each category is listed on the event page [\[hyperlink\]](#).

- ☐ Cancer Biology and Etiology
- ☐ Cancer Clinical Trials
- ☐ Cancer Health Disparities
- ☐ Cancer Prevention, Screening, and Early Detection
- ☐ Cancer Program Evaluation & Implementation Science
- ☐ Cancer Research Training
- ☐ Cancer Surveillance
- ☐ Supportive Care and Survivorship
- ☐ Technologies for Global Cancer Control

* Abstracts must be 2,500 characters or less, written in English and should not contain figures or tables. In-text citations are not required. Each abstract must contain the sections with the following headings: Purpose, Methods, Results, Conclusion. Abstracts should be carefully proofread to avoid errors in the published literature. Abstracts will be published as submitted. No copyediting will be provided.

2,500 characters remaining

* Unless otherwise stated by the submitting author, all abstracts will be published in AACR's Cancer Epidemiology, Biomarkers, & Prevention. Every accepted abstract considered for publication must have a corresponding presentation at the meeting. If the designated presenter is unable to participate in the session, a different coauthor may be appointed to present on their behalf.

Would you like to have your abstract considered for publication?*

- ☐ Yes, I would like to be considered for publication
- ☐ No
