

Abstract and Session Submission Portal

Submission Deadline: January 17, 2025 11:59 PM EST

OMB # 0925-0740
Expiration Date: 09/30/2025

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Thank you for your interest in submitting a scientific abstract or session to the [13th Annual Symposium on Global Cancer Research](#). Please review all submission guidelines on our Symposium website, [here](#), before submitting a proposal.

Session Submission

Thank you for your interest in submitting a scientific session proposal to the [13th Annual Symposium on Global Cancer Research](#). Please review all submission guidelines on our Symposium website, [here](#), before submitting a session proposal.

If you experience any technical issues related to your submission, please contact Michelle Murray at conferences@luminacorps.com. For questions regarding submission content, please contact Linsey Eldridge at Linsey.Eldridge@nih.gov.

The deadline to submit, modify, and withdraw your session proposal is January 17, 2025.

If you'd like to submit an abstract, please follow this [link](#).

For any questions regarding Session Submissions, please contact Michelle Murray at conference@luminacorps.com.

Submission Deadline: January 17, 2025 at 11:59pm EST

Organizer

By submitting this proposal, you agree to be the primary contact responsible for all communications and coordination on behalf of all speakers and take responsibility for the accuracy of the information provided.

First Name - - -

Last Name - - -

Email Address - - -

* Organization

* Country

* Submission Title

Provide a succinct title that clearly summarizes your proposal or illustrates what attendees will take away from your session.

Moderator and Speaker Details

Sessions must have one moderator (can be the same as the organizer) and up to three speakers, including at least one speaker affiliated with an institution in an LMIC. The moderator monitors the time, pace, and tone of the session and facilitates the Q&A part of the session. Speakers should be aware that their names have been put forward and should be available to attend the virtual Symposium if accepted.

Add Speaker

* Checkbox: I confirm that all speakers are aware their name have been put forward and are available to attend the Symposium if accepted.

☐ Yes

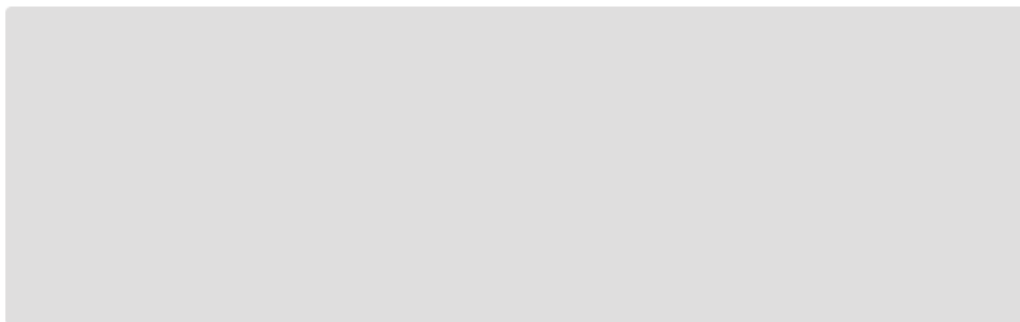

* Please choose the appropriate category that best describes the content of the proposal and the audience you wish to reach. This information will be utilized by the members of the Steering Committee to identify appropriate reviewers and session planning. Before making your selection, please review the entire list for the most appropriate category. Additional information for each category is listed on the event page [\[hyperlink\]](#).

- ☐ Cancer Biology and Etiology
 - ☐ Cancer Clinical Trials
 - ☐ Cancer Health Disparities
 - ☐ Cancer Prevention, Screening, and Early Detection
 - ☐ Cancer Program Evaluation & Implementation Science
 - ☐ Cancer Research Training
 - ☐ Cancer Surveillance
 - ☐ Supportive Care and Survivorship
 - ☐ Technologies for Global Cancer Control
-

* Provide a clear and succinct summary of your proposed session as it would appear in the meeting program. Do not use speaker names or the titles of their presentations in the description.

2,500 characters remaining

* Up to three sentences describing the aim of your proposed session (what do you hope the audience will take away), a justification for why this is a priority topic of global interest, and how the session aligns with the Symposium theme: *New models for participatory research in global oncology: Elevating the voices of patients and providers*
