2025 High-Risk, High-Reward Research Symposium

June 4-6, 2025
Bethesda, Maryland

The Symposium brings together recipients of the NIH Director's Pioneer, New Innovator, Transformative Research, and Early Independence awards to share their groundbreaking research and discoveries.

Join us for:

- Scientific talks and posters from HRHR awardees
- Networking with some of the most creative scientists in the U.S.
- "Office hours" with NIH staff from multiple NIH Institutes and Centers

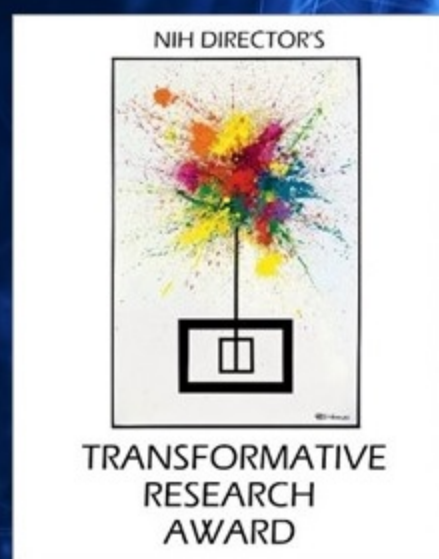

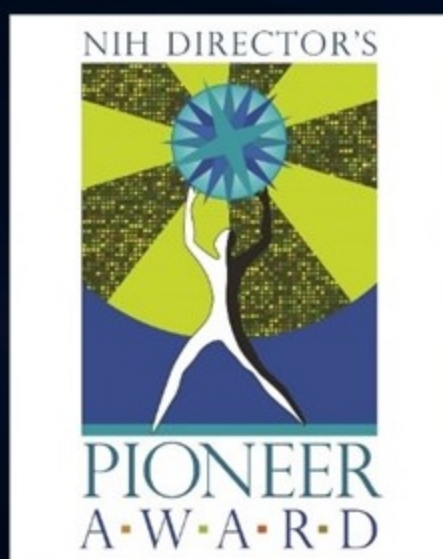

Click below to register to attend the Symposium. Registration is free and open to everyone.

NOTICE:

OMB Control Number: 0925-0740

Expiration Date: 09/2025

Public reporting burden for this collection of information is estimated to average 3 minutes per response, including the time to for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 2892-7974. ATTN: PRA (0925-0740). Do not return the completed form to this address.

This website is not government-owned. Collected identifiable information will be used by symposium organizers to contact you (name and email address) and in the finished publicly-available symposium abstract booklet (name and institution(s)). By using this third-party application, you may be providing nongovernmental third-parties access to your information. The official program website can be found at <https://commonfund.nih.gov/highrisk>. For more information on our privacy policy, see <https://www.nih.gov/web-policies-notices>.

Photography and Recording Notice

Photography and Recording Notice (this does not apply to presentations or posters, which will not be photographed or recorded): Photography, video recording, and audio recording may occur at the High-Risk, High-Reward Research Symposium. By attending, you consent to photography, audio recording, video recording and their release, publication, exhibition, or reproduction for any purpose(s) that the National Institutes of Health (NIH) deems fit. You release NIH and each and all persons involved from any liability connected. By entering the event premises, you waive all rights you may have to any claims for payment or royalties in connection with any use of these materials. You also waive any right to inspect or approve any photo, video recording, or audio recording taken by NIH or the person or entity designated to do so by NIH.

Please check here to acknowledge statement above. *

ABSTRACT SUBMISSION DEADLINE: Friday, January 24, 2025

Awardees are encouraged, but not required, to present their research activities at the Symposium as an oral presentation or poster (must be an awardee to present). Abstracts are limited to 300 words.

Oral Presentations

Due to the limited number of slots available for oral presentations, speaker preference will be given to those who have not spoken at the Symposium before and have awards nearing completion. In addition, speaker selection will seek programmatic balance across science areas and award types. Speaker selections will be made by February 28, 2025, and speakers notified via email. Oral presentations will be 15 minutes plus 5 minutes for questions and answers.

Poster Presentations

Space is available for up to 90 posters. If the number of poster abstracts exceeds the number of poster boards available, posters will be selected on a “first-come, first-served” basis. Poster selections will be made by February 28, 2025, and presenters notified via email. Posters will be presented on 4-foot x 6-foot boards.
