General Comment

Illegal regulations: 38 CFR 70.4 (b) & (c) and 70. 20 (e) contradict 38 USC 111.

The Secretary was not authorized to prescribe regulations to decrease payments or add determination criteria.

"Regulatory law deals with regulations, the edicts created by an executive branch agency. These edicts are different than laws since they are passed by that executive branch agency, based on the authority given to it by Congress through a law. A regulation, however, is secondary to a law and cannot contradict it."
