Time at institution ✱

[   ] [Months] [Weeks] [Days]

Impact on Home Institution

Thinking about the impact the site visit has had on your home institution, please select from the following options

Knowledge Transfer ✱
☐ Acquired specific skills or knowledge (techniques, tools, or methodologies) at the host site that I have applied at my home institution

Institutional Changes ✱
☐ Changes in curriculum, departmental policies, or research focus were made at my home institution

Collaboration and Networking ✱
☑ Established ongoing collaborations or partnerships

Please provide more details ✱

[   ]

500 characters remaining

☐ Other Individuals at my home institution have benefited

Capacity Building ✱
☐ The research capacity or infrastructure of my home institution was impacted

☐ Mentoring or training activities have changed by leveraging the experience or contacts gained during the visit to the host site

Broader Impact ✱
☐ The broader community or region associated with my home institution has been impacted

☐ The visibility or reputation of my home institution within the academic and research community has been impacted

Impact on You

Thinking about the impact the site visit has had on you personally, please select from the following options

Research Activities ✱
☐ Worked on specific research projects that aligned with my research goals and interests

Skills and Knowledge Acquisition ✱
☐ Learned new skills or techniques that have enhanced my research capabilities

Collaboration and Networking ✱
☐ Networking with professionals at the host site expanded my professional or academic network

Use of Facilities and Equipment ✱
☐ Granted access to essential facilities or equipment

☐ Specialized tools or resources at the host site significantly impacted my research outcomes

Mentorship and Guidance ✱
☐ Had access to mentors at the host site

☐ Mentorship at the host site influenced my approach to research or my professional development

Integration into the Host Site's Culture ✱
☐ Integrated into the host site's daily operations and culture

☐ Activities or programs at the host site helped me feel part of the team

Challenges and Resolutions ✱
☐ Encountered challenges during my visit at the host site

Overall Experience ✱
☐ Aspects of the visit at the host site were particularly beneficial to my professional growth

How would you describe your overall experience at the host site ✱

Technology Transfer and Startup Activity

☐ Technology Transfer and Startup Activity is Complete

Participation

👥 Trainees Involved in Technology Transfer and Startup Activities ⊕

Technology Transfer

☑ Technology Transfer activities resulting from the fellowship have occurred during this reporting period.

Please provide more details ✶

[   ]

500 characters remaining

☐ Patents or Technologies developed during the fellowship are now in the process of being commercialized.

Startup Activity

☐ A startup company was created based on research conducted during the fellowship.

☐ Startup companies resulting from the fellowship have received venture funding or other forms of investment.

Economic Impact

☐ Startup activities or technology transfers have created new jobs.

☑ There has been noticeable economic growth as a result of these startup activities or technology transfers.

Please provide more details ✶

[   ]

500 characters remaining

Collaborations and Partnerships

☐ Collaborations with local businesses or industries have occurred as a result of your technology transfer or startup activities.

☐ Partnerships with other educational or research institutions were formed as a result of your technology transfer or startup activities.

Support and Infrastructure

☐ Support (financial, advisory, or infrastructural) has been provided by local or regional authorities to foster technology transfer and startups.

☐ Local infrastructure (like incubators, accelerators) supported the development and growth of startups.

Long-term Sustainability

☐ Long-term Sustainability Measures are being taken to ensure the long-term sustainability of startups or technology transfer activities initiated during the fellowship.
