Dear **[First Name]**,

On behalf of the NCI, thank you for being part of the Perspectives on Cancer and Aging: The Arti Hurria Memorial Webinar Series this year. We are grateful to have had you with us for at least one of our sessions, and we hope you found the content valuable for your work.

Tune into the 2025 Webinar Series

As we continue to explore key topics in cancer and aging field, we are thrilled to share our first webinar of 2025 will be **[DATE]** and feature Drs. Jennifer Knight, MD, MS, FACLP and Kelly Rentscher, PhD, who will speak on the social determinants of health in a cancer and accelerated biological aging context. We hope you'll join us for this great discussion and others!

Opportunity: NCI solicits your feedback on an In-Person Cancer & Aging Conference In addition to continuing our webinar series, NCI is exploring the possibility of coordinating an in-person conference to bring together the growing field of cancer and aging researchers to share cutting edge research and foster cross-discipline collaborations. Please complete the survey by **[DATE]**.
