Subject: [EXTERNAL] Re: endeles appeals costing american taxpayers too much money - put a fee on appeals of 5000.dollars public comment on federal register
Date: Friday, November 29, 2024 12:31:20 PM

these appeals by foreigners are costing american taxpayers nbillions/trillions of dollars tha we are payijgn for to supply these people to take appeals and file forms. its time for the foreigners to pay for this. we are letting them in paying nothing. its time for them to pay a fee of \$5,000 for filing this form. that does not begin to covr the costs of these forms. for all those judgew getting big salaries and clerks, thepaper, the filing it costs us alot more than \$5,000.stop letting these foreigners get a free pass from biden. they certainly have gotten trillions of dollar already from biden.deport them all. my best thought is no appeals at all. you get one chance and then gohome. we dont want these millions of foreigners here. we want them in their own country. bea ker bk1492@aol. om

Abstract: A party affected by a decision of a Department of Homeland Security (DHS) Officer may appeal that decision to the Board of Immigration Appeals (BIA or Board), provided that the Board has jurisdiction pursuant to 8 CFR 1003.1(b). The party must complete the Form EOIR-29 and submit it to the DHS office having administrative control over the record of proceeding in order to exercise its regulatory right to appeal.

EOIR has made the following substantive changes to the form: allowing respondents to provide a safe mailing address and to designate another individual to receive mail; replacing the field for the respondent's petition form number with a new field for the respondent's petition receipt number; and including new fields for the respondent's street address, apartment or unit number, city, state, and zip code, rather than a single field for the respondent's address. In addition, EOIR has made the following non-substantive changes: modifying the appearance and formatting of the General Instructions; revising the existing form instructions for clarity; and updating links to web pages and resources embedded throughout the form. EOIR intends these revisions to reduce the public's burden in completing the form and to reduce the Agency's processing time for each form.
