Since the new guidelines it has caused a severe opioid taper so drastically that I have chest pain, heart feels as it's about to give up. i suffer daily due these CDC guidelines, No quality of life ,not able to wash dishes ,so I can't cook ,rodents have taking over my kitchen. A huge rodent took my bottom partial that the local church helped me with .The CDC SPIDER wrote a letter address to the CDC officer in 2017 stated what was going on in the CDC is wrong and will go against the general public which is taxpayers funded .Please For God loves all do away with these guidelines period
Adhesive Arachnoiditis Autoimmune Disorder Intractable pain Elhers Danos Syndrome Pain Patient. Based on my CYP 450 Micromorphisim Genetic Test I'm a Rapid metabolizer. If these guidelines continue i will eventually stroke out
