Introduction to Open Innovation Competitions: End-of-Course Survey

We would appreciate your feedback on the "Introduction to Open Innovation Competitions" e-learning course that you just completed.

PRIVACY NOTICE: The survey is administered by USAID's Exploratory Programs and Innovation Competitions (EPIC) team. The information provided will be used to make improvements to the "Introduction to Open Innovation Competitions" course.

Completion of this survey is voluntary and will not affect your course completion status.

The results of the survey, including individual responses and aggregated datasets, may be shared with our partners, researchers and in public reports. However, your individual responses will not be attributed or linked to you.

Your participation will help ensure adequate representation of your views in the final results and outcomes. If you agree to participate, you may withdraw your participation in the survey at any time by simply exiting the survey before clicking Submit. Should you have any questions about this survey, please contact USAID's EPIC team at epic@usaid.gov.

Paperwork Reduction Act Statement
A Federal agency may not conduct or sponsor an information collection subject to the requirements of the Paperwork Reduction Act unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0412-0609 (expires 05/31/2027). Without this approval, we could not conduct this survey. Public reporting for this survey is estimated to be approximately 5 minutes per person. All responses to this survey are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to icrteam@usaid.gov.
