764@gmail.com ,I believe the murdering of
100's of thousands of pain patients, elderly,vets and disabled
Using fraudulent opioid guidelines is absolutely
horrible!This is no longer ok,it never was.you aren't
saving addicts,you are making them and murdering to
many people.Enough is enough!Throw out those Opioid guidelines
that are nothing but disinformation,lies, fraudulent opioid
guidelines that you knew were fraudulent before you
released them.. We've had a triple Opioid deaths count since
you, the CDC released the guidelines in 2016.I've
never seen anything so horrible in my life!All for
Money.murdering all these innocent people why
Pretending to save addicts.Those guidelines should
Never have been released to begin with!
